

ICWE 2007 Best Paper and Best Demo

ISWE awards a free passport registration to ICWE 2008 to the ICWE 2007 Best Paper (by Rossi, Ginzburg, Urbietta and Distante) and the ICWE 2007 Best Demo (by Yu, Benatallah, Casati, Daniel, Matera and Saint-Paul).

The Best Paper Award of ICWE2007 goes to "Transparent Interface Composition for Web Applications" written by Gustavo Rossi, Jeronimo Ginzburg, Matias Urbietta and Damiano Distante.

The Best Demo Award of ICWE2007 goes to "Mixup: a Development and Runtime Environment for Integration at the Presentation Layer" by Jin Yu, Boualem Benatallah, Fabio Casati, Florian Daniel, Maristella Matera and Regis Saint-Paul.

ISWE awards a free passport registration to the Eighth International Conference on Web Engineering (ICWE2008) to both the best paper and the best demo.
