All the hotels are located within 5 to 15 minutes walk to the venue.

Area 1 is closer to the city center and to the lake (and thus really nice) but it's a bit more far away from the conference venue. However, you can easily walk to reach the hotels (some 10-15 minutes). You can look around and enjoy the city center. Otherwise, you can take a train (see map) or several bus lines.

Area 2 is 2 to 5 minutes walk from the venue, but it is outside the city center.
